

Stay Away From Illegal Explosives!

Although often referred to as “fireworks”, these devices are banned by the federal government for use by consumers as illegal explosives and are extremely dangerous.

If you are aware of someone selling these illegal and dangerous items, notify an adult immediately and have them contact the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) at 1-888-ATF-BOMB.

Cherry Bombs: Are red in color & about 1” in diameter.
* legal toy smoke devices look similar but will not be **red** in color.

Silver Salutes: Are silver in color and about 2” long.
The fuse can enter either the side or the end of the tube (as pictured)

M-80s: Typically colored red and 1 ½” long. The fuse can enter either the side (as pictured) or from the end.
